From the Grand Knight

A great big **THANK YOU** to Mark Bigelow and everyone that helped out at the Pork Chop stand during Leprechaun Days! Another record was set for the event with 2450 chops sold! Without question our stand is the most recognized and popular food stand on the grounds every year.

Let's also recognize Tony Brand and all the Knights and their families that participated in the Parade.

Event dates for 2012-2013 are firming up with a couple of changes and additions to the list. WOW, we are busy! See Council Activities on Page 2

Look for updates in the coming weeks regarding opportunities to help place phone calls on behalf of the Archdiocese Office of Marriage and Family regarding the Marriage Amendment vote. Pete Herold has stepped up to organize this effort. Our council will be meeting at the Church on 4 nights during August and September. Dates and time TBA.

Vivat Jesus!

From our Insurance Agent

The Urgency of Buying Long Term Care Insurance

There are very few people who do not have a “long term care experience” somewhere in their family – a loved one in a nursing home facility, or a family member being cared for at home because of advancing age, a disability or both. If you have heard of or undergone this situation, you know firsthand the catastrophic effects these events can have on a family, crossing all generations. What you may not know about is the urgency of taking action. The ability to buy long-term care insurance is based on your health. Putting the decision off, “waiting until next year” or otherwise dragging your feet can be problematic. You never know when your health could change and make you ineligible for coverage. In addition, the required premium commitment increases every year with your age.

When you make the decision to talk about LTC, come right to the Knights of Columbus. In addition to providing life insurance and guaranteed annuities to our members and their families, we also have a very competitive long-term care product. Since entering this market in 2000, nearly 35,000 LTC policies have been sold to K of C members and their wives. While some companies in this line of business have had difficulty (or stopped selling the product altogether), our product continues to perform well with no premium increases on existing policies.

I can help you select the plan that’s right for you and meets your budget. I can show you several different options – facility only coverage, home care, a combination of both. Let’s talk today.

**A.M. Best reaffirms A++ rating
for Knights of Columbus**

For the 37th consecutive year, A.M. Best Company has given the Knights of Columbus its highest financial strength rating, A++ (Superior). A.M. Best is a worldwide rating and information agency, which conducts in-depth analyses and issues reports about the fiscal stability of insurance companies.

“Earning A.M. Best’s top rating again this year highlights the importance and wisdom of our sustainable business and investment models,” said Supreme Knight Carl Anderson. “The fact that we have earned this top rating for each of the past 37 years is a testament to our commitment to our mission of protecting the well-being of Catholic families, and viewing our members as part of our family.”
